BOOK SYNOPSIS

#1 Italian bestseller “Witty and wry . . . It’s hard not to be charmed.” — New York Times Book Review “One of the most influential thinkers of our time.” — Los Angeles Times 1945, Lake Como. Mussolini and his mistress are captured and shot by local partisans. The precise circumstances of Il Duce’s death remain controversial. 1992, Milan. Colonna, a depressed hack writer, is offered a fee he can’t resist to ghostwrite a book. His subject: a fledgling newspaper, which happens to be financed by a powerful media magnate. As Colonna gets to know the team, he learns of the editor’s paranoid theory that Mussolini’s corpse was a body double and part of a wider Fascist plot. It’s the scoop the newspaper desperately needs. The evidence? He’s working on it. It’s all there: media hoaxes, Mafiosi, the CIA, the Pentagon, blackmail, love, gossip, and murder. A clash of forces that have shaped Italy since World War II — from Mussolini to Berlusconi. “Farcical, serious, satiric, and tragic” (Le Point, France), *Numero Zero* is the work of a master storyteller. UMBERTO ECO (1932–2016) was the author of numerous essay collections and seven novels, including *The Name of the Rose*, *The Prague Cemetery*, and *Inventing the Enemy*. He received Italy’s highest literary award, the Premio Strega, was named a Chevalier de la Légion d’Honneur by the French government, and was an honorary member of the American Academy of Arts and Letters

NUMERO ZERO - Are you looking for Ebook *Numero Zero*? You will be glad to know that right now *Numero Zero* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Numero Zero* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Numero Zero* and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Numero Zero*. To get started finding *Numero Zero*, you are right to find our website which has a comprehensive collection of manuals listed.
