BOOK SYNOPSIS

As the influx of Highlanders arrive in the US, Cameron's brother Grant comes too. Intent on carrying out his brother's bonding ritual, and returning home as quickly as possible. However, there are some surprises in store for Grant. Ones that are forever life changing, and which will test the very bonds of his friendship with one of his closest friends. When Cam and Jinx find a young, lone, Panther Shifter in the forest, injured and facing up to an enraged bear, they do the only thing they can; they take on the bear to save the Panther. On finding out the youngster has no Pack, no family, Cam offers him a home and hopes he hasn't made a mistake admitting a rogue Panther. With Jacob finally getting his own bonding ritual, he feels as if he and Rebecca have passed the test of their blossoming relationship. That is, until disaster strikes and a new threat emerges; one he never envisaged. Can the Highlanders integrate with the rest of the Pack? Will Grant accept his fate? And can Cameron keep everything together; including his multi-billion dollar enterprise? Find out in Highland Wolf Clan, Book 3, New Beginnings by A K Michaels
